Mike "The Mauler" Yellich
1991 Hot Water 650 Tour Champion

You will receive individual personalized instruction from one of the most experienced racers the personal watercraft sport has ever seen — Mike "The Mauler" Yellich. With his eleven years of racing knowledge, Mike can offer what no other instructor can — the most comprehensive instruction in the industry. Eleven years of experience on the track, and another three in the service department, as well as a test rider for competing factories make Mike the only choice for REAL racing instruction.
