PERSONAL WATERCRAFT RACING SCHOOLS

Ever wonder how you could get started in personal watercraft racing?

Want to unleash the racer that could be?

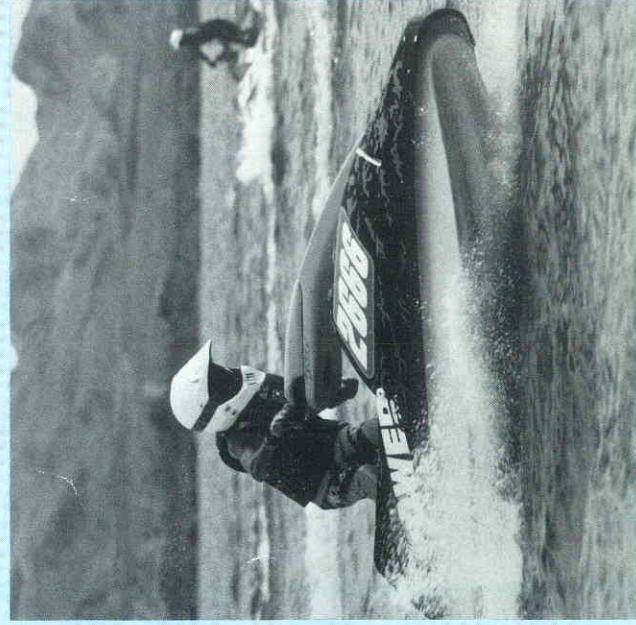

Well, here's how to start off on the right foot!

We offer many types of racing schools: **One Day, Two Day, Private and Group rates.** The One and Two Day schools are on a monthly basis.

Private and Group schools are by appointment only. All deposits must be received five days before the day of class.

Darrick Kappler

Yamaha Pro-Tec Super Jet Race limiteds will be supplied to riders that cannot bring their own machines for the class, for a small extra cost. **The machines are factory replica Pro-Tec limited Super Jets used on the Hot Water tour.**

Ginny King

Personal Watercraft Racing School has produced champions like

1991 Expert Women's Hot Water tour champion Little Ginny King ... 1992 Novice Men's IJSBA World Champion Darrick Kappler ... and 1992 Expert Men's South American Champion Shahand Kazazian, from Chile.
